Beautifully illuminated, spacious 1/1 apartment located across the street from the beach entrance. 18 feet floor-to-ceiling windows allow light to come in to the open concept kitchen, featuring SS appliances and mobile center island. Washer and dryer inside the unit, in a storage closet. The building is worth a trip, just to picture your quality of life, getting home through a super high center patio, spanning the entire length of the building, full of light and impeccably maintained landscape. You'll have the luxury living style, without dealing with the grievances of huge buildings. Long, curved swimming pool, gym and social room. 1 assigned parking space. Close to Ball Harbour Shops and plenty of restaurants. Friendly management office on site. 24 hrs security.
