This exclusive oceanfront center-stack rental unit on Fisher Island enjoys a unique and privileged location, positioned as close to the ocean as possible, directly facing the secluded residence beach. It boasts unobstructed views of Government Cut and the Atlantic Ocean. The unit features an expansive wraparound terrace, a spacious open living and family room, a gracious dining room, and a separate breakfast area, all with amazing ocean views. With 6,820 square feet of luxury living space, the unit offers five oversized bedrooms, six full bathrooms, and two half baths. One of the oversized bedrooms can easily be converted into a sixth bedroom. The principal suite includes an office space, separate dual walk-in closets, and luxurious dual marble bathrooms.
